

NOCSAE WINTER STANDARDS COMMITTEE MEETING

NOCSAE welcomes interested parties to attend the Winter Standards Committee Meeting on **Friday, January 28, 2022 in Litchfield Park, Arizona**. At the meeting, the NOCSAE Standards Committee will discuss updates to athletic equipment safety standards and take voting action on recommended modifications and revisions. The NOCSAE Scientific Advisory Committee and Technical Director will also share reports. The full meeting agenda is available [here](#).

The Winter Standards Committee Meeting will convene in the afternoon on Friday, January 28 at **Noon PT / 1:00 PM MT / 2:00 PM CT / 3:00 PM ET**.

If you plan to attend in-person:

You must email Melinda Cook at mlc@orlawyers.net to register and confirm on-site logistics.

If you plan to attend the meeting remotely:

You must register in advance at this [link](#). You will receive a “Go To” Meeting link to join the meeting remotely.

Agenda Information

The meeting agenda is available [here](#). In advance of the meeting on January 28, please check this link for any modifications to the agenda.

Questions and Comments

If you have questions or comments related to the agenda for the upcoming meeting, NOCSAE requests that you submit these in advance to Executive Director Mike Oliver by January 14 at mike.oliver@nocsa.org.

Remote participants will have the option to submit questions and comments during the meeting, but please note that these will be prioritized based on relevance to agenda items and motions under discussion. If your question or comment is not pertinent to the meeting discussion, NOCSAE will follow up after the meeting.
