

NOCSAE SUMMER STANDARDS COMMITTEE MEETING

NOCSAE welcomes interested parties to attend the Winter Standards Committee Meeting on **Friday, July 21, 2023 in Chicago, IL**. At the meeting, the NOCSAE Standards Committee will discuss updates to athletic equipment safety standards and take action on recommended standards modifications and revisions. The chair of NOCSAE's Scientific Advisory Committee as well as the Technical Director will also share reports.

The Summer Standards Committee Meeting will convene in the afternoon on Friday, July 21 at **1:00 PM**. **There will be no option for virtual attendance.**

If you plan to attend:

Registration in advance is required. [Use this form to register.](#)

Agenda Information

The meeting agenda will be posted soon.

Questions and Comments

If you have questions or comments related to agenda items for the upcoming meeting, NOCSAE requests that you submit these in advance to Executive Director Mike Oliver by July 7 at mike.oliver@nocsae.org.
